Selected work

Bells Sports Centre, Perth (Live Active Leisure). Gym equipment and free weights, marketing suite and main office moved, including all IT and commercial printers: three full truck loads.

Morris Leslie, Perth. A full office move of around 3,000 cubic feet using two removal trucks.

Woodland Trust. Office moved twice with three vans, clearing desks no longer needed in the same job.

A Perthshire primary school. For the main contractor, full classrooms and office equipment decanted into storage during a refurbishment, then brought back.

NHS. Several moves of medical equipment and beds, using cleaned crates.

Perthshire property struck by lightning. Full clearance of contents, rubble, plastics and bricks, won by competitive bid.

Where we work

Across Scotland from Perth and Dunfermline, most often in Perth and Perthshire, Dundee and Angus, Fife, Stirling and Falkirk, Edinburgh and Glasgow.
